ABOUT DANNY & RON'S RESCUE

Equestrians Ron Danta and Danny Robertshaw never set out to run a dog rescue, but after Hurricane Katrina, they saw the devastation and felt compelled to save the dogs who were left homeless by the storm.

Since then, Danny & Ron's Rescue has rescued 15,000, many abused and neglected shelter dogs who were on the euthanasia list. Many have been rescued from dogfighting rings, puppy mills. Danny and Ron have freed animals chained to trees and who were living in small cages, and they have saved abandoned pets living on the streets.

What is unique is that the dogs live in Danny & Ron's home which has come to be known as "the Doghouse." Because an abused or neglected dog can only recover and learn to trust again when s/he is in a loving home, Danny and Ron have turned their own house into the ultimate safe-haven. There, they personally care for injured and abused animals until they are ready for adoption.

Each dog receives a wellness check from our veterinarian, is then spayed/neutered, vaccinated, microchipped, dewormed, groomed, and loved. But most important, each dog is treated like part of the family, fed organic dog food from his/her own bowl, and even allowed to sleep in the bed. The opportunity to live with humans and other dogs in a real home environment is the best way to prepare a dog for adoption and a life with a loving family. Adopted Danny & Ron's Rescue dogs can be found throughout the United States, Canada, Great Britain, and Europe.

AREAS OF SUPPORT

Elderly, Disabled, & Veterans Program

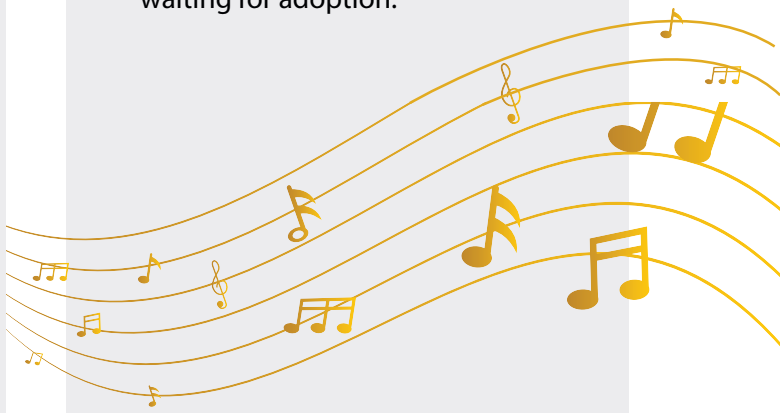

Through the Rescue's **Elderly, Disabled, & Veterans Program**, they partner with a local **Meals on Wheels ANIMEALS** program to provide food and medical care for the pets of homebound seniors who are living in poverty, and they provide support to Veterans who need assistance with pet food and medical care so they can keep their dog.

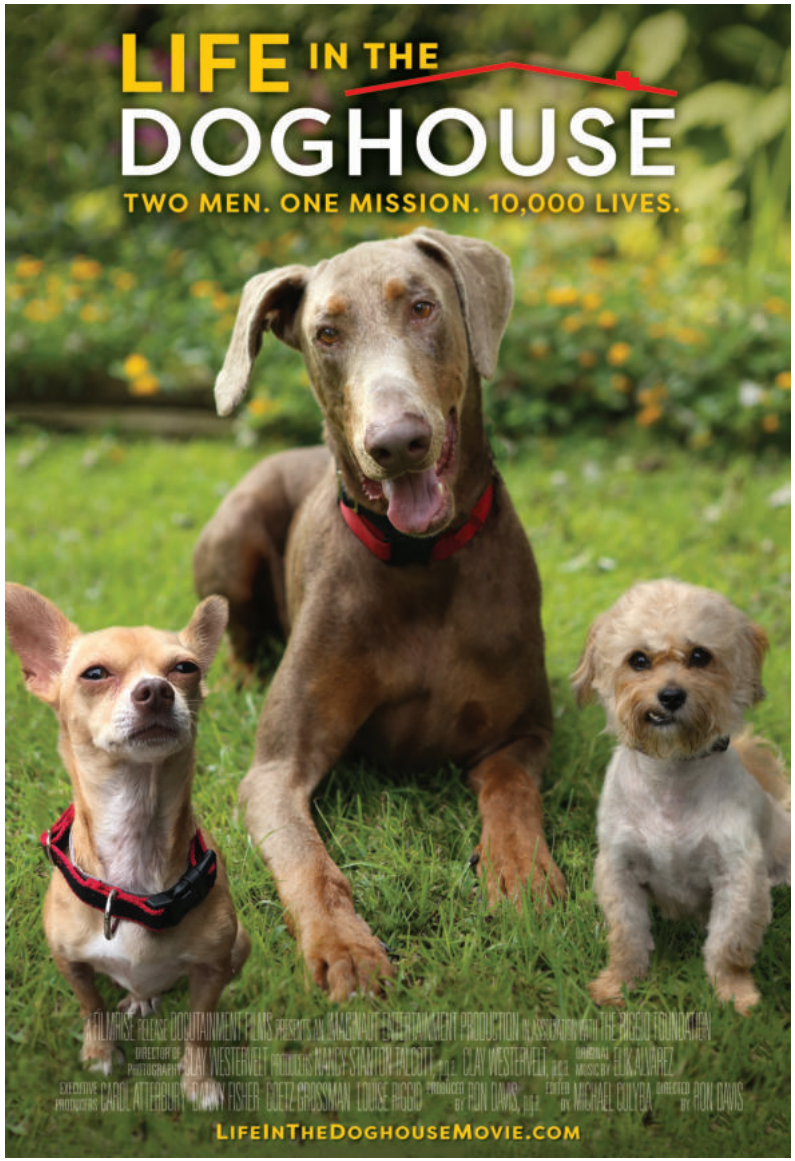

Mom's Fund, Community Outreach, Oreo's Grace Fund

Danny & Ron's Rescue also cares for dogs facing critical life-threatening conditions through **Mom's Fund**. The Rescue saves dogs who have the potential to recover, giving them a chance to live and enjoy a good life; assures that these dogs receive appropriate surgical and medical treatment, and then brings them into The Doghouse to recover in a loving, caring environment. While Mom's Fund cares for the dogs coming to live at the Doghouse, **Community Outreach Program and Oreo's Grace Fund** help the pets of those who reach out to the Rescue because they cannot provide for the urgent and critical veterinary care their pets need.

Disaster Relief Program

Disaster Relief Program enables Danny & Ron's Rescue to become the boots on the ground with supplies to help the local rescue efforts during a natural disaster. The Rescue always returns from the disaster areas with a bus full of dogs that find love, care, and refuge at the Doghouse while waiting for adoption.

LIFE IN THE DOGHOUSE

Their award-winning documentary ***Life in the Doghouse*** which premiered on Netflix in 2018, has Danny & Ron's Rescue recognized worldwide.

FOR THE KIDS...

To inspire a younger generation, Danny and Ron wrote a series of four children's chapter books called ***"Life in the Doghouse"*** (Simon & Schuster) telling the stories of real dogs from the documentary of the same name, ***Life in the Doghouse.***

ABOUT THE ANNUAL KIDS LIP SYNC

The Annual Kids Lip Sync Contest is one of the most beloved events of the year—a high-energy, joy-filled evening where kids get to step into the spotlight, perform their favorite songs, and help raise critical funds for Danny & Ron's Rescue.

Held in Wellington, Florida, this family-friendly event brings together the local equestrian community and dog lovers from all around, selling out every year with 500 attendees expected. It's an unforgettable night of music, laughter, and heart, all in support of giving rescue dogs a second chance at life.

Each year, the show features a new musical theme to keep things fresh and fun. In the past, we've welcomed incredible special guests like Gloria Gaynor (Disco Theme) and Lyle Lovett (Country Music theme), adding star power to an already magical evening.

For 2026, we're rolling out the red carpet with a brand-new theme: "The GRAMMYs!" This gives kids the exciting opportunity to choose from a wide variety of musical genres—pop, rock, country, R&B, and more—and bring their favorite award-worthy hits to life on stage.

The Annual Kids Lip Sync Contest is one of the most beloved events of the year—a high-energy, joy-filled evening where kids get to step into the spotlight, perform their favorite songs, and help raise critical funds for Danny & Ron's Rescue.

But beyond the music and costumes, the true spirit of the Lip Sync Contest lies in its mission. Every cheer, every performance, and every dollar raised helps us continue rescuing dogs in need and finding them the loving forever homes they deserve.

It's talent with a purpose—and a night you won't want to miss.

LOOKING BACK TO 2025

At the 16th Annual Kids Lip Sync Contest we had the absolute honor of welcoming two-time GRAMMY winner and longtime friend of the Rescue, Gloria Gaynor, as our special guest performer.

Her powerful voice and presence lit up the stage and brought so much heart to an already magical night. Gloria's support means the world to us, and having her join us in 2025 was a beautiful reminder of how music, community and compassion come together to make a real difference.

Each year, the Lip Sync Show gives kids the chance to shine while helping raise much-needed funds for Danny & Ron's Rescue—and 2025 was no exception. Held in Wellington, Florida, this sold-out event brought together 500 guests from the vibrant equestrian community, all united by a shared love for animals and a desire to help dogs find their forever homes.

With past guests like Lyle Lovett and Gloria Gaynor, the Lip Sync Contest has become a cherished tradition—full of joy, laughter, talent, and purpose.
